

# SKIP HIRE ADVICE SHEET

## GENERAL SKIP HIRE RULES

- No fires are permitted in any skip
- Skips must not be overfilled as they become unsafe for transport
  - Overfilled skips will result in a surcharge or the extra waste removed before the skip is collected.
- All customers have 2 weeks hire included (RORO skips have 4 weeks) – if you are finished with the skip before this please contact our office – 02838 333340 – option 1 - and we will arrange the collection.
- After 2-4 weeks we will collect your skip unless you have contacted us to request it to stay on site for longer.

## WHAT YOU CAN, AND CAN'T PUT INTO A SKIP?

- We accept all general waste that is generally recyclable (timber, brick, soil, metal, plastics, cardboard, green waste, etc...)
- The waste *we can't accept within general waste skips can be seen below-*
  - Food Waste
  - Asbestos
  - Paint Tins
  - Plasterboard
  - Tyres
  - Gas Bottles
  - Fridges
  - Vehicle Batteries
  - Fluorescent Tubes
  - Gas bottles
  - Pressurised containers

We can arrange to collect these waste streams separately if you have them.  
Please contact us to arrange a collection – 02838 333340 – option 1.

If the above waste streams are found within your skip there will be a surcharge added – please read the following page for more information.
